REPUBLICANS

An Alleged Scheme of
Mercenaries.

John D. Spreckels, National Commit-
teeman, Advises Delay of Or-
ganization in Hawaii.

Tuesday night the Republican Club
of Hawaii will meet in Murray's hall
for the planning of a campaign of edu-
cation in Republican doctrines. No
meeting has been held for a fortnight
and the names of those to compose the
committee of twenty-one which is to
manage the affairs of the club will be
announced on Tuesday. It is expected
that a big crowd will be present, as

JOHN D. SPRECKELS.

since the club's inauguration interest
in its methods and management has
been strong.

It is stated by those at the head of
the club's affairs that it will be con-
ducted on a fair, clean platform that
will attract the best men of the party,
and that no attempt to introduce vi-
cious methods will be tolerated. A ru-
mor is current that a disgruntled ele-
ment of the club will try to make trou-
ble at the next session.

Report has it that a motion will be
made to change the name of the club
to the "Republican Party of Hawaii,"
as it was termed before Abram S.
Humphreys took a hand in its affairs.
The story goes that an effort will be
made to "pack" the meeting with a
following by the disgruntled ones and
to rush through the resolution spoken
of. The aim of the offending clique is
said to be to make the club a "party"
by hook or by crook. They reason that
if they constitute themselves the "Re-
publican party" first that they can
keep the name and force recognition
from the respectable and well-to-do Re-
publicans of Hawaii who might be com-
pelled to buy them off with money or
positions.

This is the dark scheme unfolded by
a member of the club who expresses
fear that if the respectable people stay
away from the meeting next Tuesday
night that such a freebooting plan will
be carried through.

Spreckels Advises Delay.

John D. Spreckels, National Commit-
teeman, has written from San Francis-
co to Horace W. Wright, relative to
the organizing of the club. His letter
is as follows:

San Francisco, March 29, 1940.

Mr. W. Horace Wright, Call's Cor-
respondent, Honolulu, H. I.

Dear Sir: In response to your com-
munication of March 20th, I would sug-
gest that before any action is taken by
the Republicans resident at the Islands
they await the action of our Congress
which will set out the form of govern-
ment to be established there.

I will confer with Mr. Stone, the or-
ganizer and president of the league of
clubs, and request him to send such
matter as he has on hand, and which
was used by the local organization in
the formation of the clubs here.

If, later on, I have anything to sug-
gest, I will communicate with you.

Your truly,
JOHN D. SPRECKELS.

A PRETTY WEDDING.

Miss Florence Kelsey and Mr. S. P.
French are Married.

Miss Florence Kelsey and Mr. S. P.
French were married yesterday after-
noon at 4 o'clock at the residence of
Mr. and Mrs. W. R. Castle on Kinau
and Victoria streets. The Rev. Wil-
liam Morris Kincaid of Central Union
Church performed the marriage cere-
mony on the broad lanai, which was
tastefully decorated with banks of
flowers and palms, the general color
scheme being white. It was a "white
wedding," the bride being attired in
a beautiful gown of white grass linen,
while the attendant flower girls, the
little Misses Beatrice Castle and Helen
Lowrey, were similarly gowned, and
carried large bunches of variegated
white flowers.

The groom was unattended by a
best man, nor were there any brides-
maids. After the ceremony the couple
left for Mr. Fred. Lowrey's country
home at Niniko for a short honeymoon,
followed from the lanai by showers of
rice. Nearly sixty friends of the cou-
ple attended the marriage ceremony
and vied with each other in congrat-
ulating the bride and groom.

Mr. French has been the principal
of Punahou Preparatory School for many
years, and the bride is a teacher at
Oahu College. Both will continue in
their college work until the close of
the school year in June and will then
tour the States, returning in time for
the September opening. They will
then occupy the cottage previously oc-
cupied by Prof. Ingalls.
